Franchise Opportunity

*\$1,251,191 Top 50% Average Net Revenues, with 274 of 716 (38% of the top 50%) Restaurants attaining or surpassing this figure. \$978,298 System Wide Average Net Revenues, with 643 of 1,431 (45%) Restaurants attaining or surpassing this figure. Based on our fiscal year ending 12/28/2025 and includes 1,431 restaurants (including one company-owned restaurant) that were open for at least 12 months as of 12/28/2025. Excludes non-traditional locations and restaurants that were not open for at least 357 days in 2025. This information appears in Item 19 of our Franchise Disclosure Document. Your results may differ. There is no assurance that you will do as well.

**The initial investment range is \$275,500 - \$770,500. The amounts provided in this table are based on estimated costs reported to us by franchisees in 2025 for End-Cap or In-Line Tropical Smoothie Cafe Restaurants, which includes those located in or at "strip style" retail shopping centers but does not include drive-thrus. For the fiscal year 2025, these End-Cap and In-Line Tropical Smoothie Cafe Restaurants typically ranged in size from 1,200 to 1,900 square feet. If your Franchised Business includes a drive-thru, the additional expense (including the cost of leasehold improvements, restaurant fixtures and equipment, software and hardware related to drive-thru technology, and other costs) would be approximately \$40,000 to \$60,000. See Franchise Disclosure Document for additional information regarding investment costs.
